Wu-Wu-Wu Zap is surprisingly still working on! Battle recess is cancelled for a few times. Hannah is very disappointed, because she loves Wu-Wu-Wu Zap! ❤️

"Awww," she says. "Cutie pie."

About the Contraptions

Usually Hannah cares about the Contraption blocks. They are very valuable to her, since they are good for keeping the time if the booming and crashing wakes you up and you don't have anything to do but sleep, but you can't sleep because the booming and crashing. They are perfect for occupying the time during the noise. But sometimes you can sleep through it.

Bingo Blast!

Bingo is very popular, and Mewnes has a lot of attention on it. Velvet has got away from Bingo, and has gotten on the dollhouse to travel to the dining room. She needs a suit because the dining room was once filled with a poisonous cloud. Mewnes was spending some time in Bingo. Everyone's going to Bingo! Bingo Blast!

HANNAH'S COMFY ROOM IS VERY COMFY

Hannah's comfy room has lots of things: Contraption blocks, and even a little tiny bed. You can sometimes hear the booming and crashing of the battle, but usually you're able to sleep because the noise isn't that bad. It's just some noise, but it could keep you up for some of the night. Oh, and it's not really a battle. They're just blasting at each other. And maybe the blasts are little sometimes. That's why Hannah can sleep so well. I always wonder that.
