Godzilla, Greatest Enemy of the Uni!

Library is Becoming Unpopular!

No one is coming to the new library! It is unpopular.

The new library is becoming unpopular! It's like people don't know it's there. They're not paying attention to it any day. Hannah feels very sad. Though it is a good hotel, because it has lots of comfy cushions and things to do, and sometimes people read with the books that were in the library.

1

LIBRARY

We are thinking about making signs and posters about the library. Maybe people don't know it's a library.

2

BOOKS

There is a very good book that we have at the library. Maybe we could advertise it!

3

EVENTS

There is a big event! It's called the Snuggle Party. You just snuggle.

The Battle Rages On!

Wu-Wu-Wu Zap can't stop battling. It's his thing.

Wu-Wu-Wu Zap *cannot* stop battling! Wu-Wu-Wu Zap loves battling, and he won't stop until Fortress Moonbeam is destroyed. We are very worried that he will get Fortress Moonbeam. Fortress Moonbeam is battling too. They just want Wu-Wu-Wu Zap to go away, and they want him to be on the good side. They're blasting at him, so he's blasting back. There is not chance of democracy, and Pixy's useless.

‡ Pixy is the democracy legacy in Hannahland. That means she's the peacemaker.

Camp Flaming Arrow is OPEN!

Camp Flaming Arrow is the same as the library, but the building is still very good for fun. It can be a library or anything. Hannah doesn't know what it is yet. The big event is coming for the building, and in the Snuggle Party, Camp Flaming Arrow will be open to business! Hannah is very gracious that the building will be fun and people will come to it. Usually, people don't come to it, but she wants people to come to it. It's her building.

DOLLHOUSE ARRIVES AT DINING ROOM!

Not many people have gotten off at the Dining Room. Once, there was a poisonous cloud, and some of Hannah's people are worried that there will be another poisonous cloud. They are very worried. It's a tough time for the dining room. The dining room is going through lots of hard work, but the dollhouse thinks that it's okay.
