## Wu-Wu-Wu Zap is Good!

Wu-Wu-Wu Zap has become good. He has changed himself, because he liked Hannah and Pixy. Jail did not win; Hannah's house won the vote after Wu-Wu-Wu Zap surrendered and they didn't know where to put him. But since now he likes being treated nicely, and now he's thinking about getting a job even. They even let him return to his fort, and Hannah dressed him in a nice dress. He is a citizen.

The weather will be cloudy up to Tuesday. ☁️

## Interview with Wu

Monkey: "Why were you a bad guy in the start?"

Wu-Wu-Wu Zap: "Because the Bad Guy Council hired me."

M: "Why can't you obey someone else?"

W: "Because I thought that the Bad Guy Council would win, and I thought I would win too and get a lot of money."

M: "Why weren't you good in the first place? Why couldn't you switch expectations?"

W: "Because I thought that the Bad Guy Council would work best for me."

M: "Who were your parents?"

W: "It's top secret, so I can't tell you."

M: "Tell us, please."

W: "Well, if you *really* want to hear..."

M: "*Pleeeeeease...*"

W: "I grew up in the jungle of Garth, on Alpha Six."

M: "Did you learn any skills?"

W: "Yes! I was taught to fight and I was also taught how to read, and to speak English."

M: "How did you become so cute?"

W: "I was just born that way."

M: "Why did you become good again?"

W: "Because I thought that changing my life to the good guys might make me stronger."

M: "Good thinking. You could help us with the army."

W: "I prefer to stay out of battle now, since I sort of like the Bad Guy Council. I feel I want to be neutral, like Pixy."

M: "What job do you think you would be good at?"

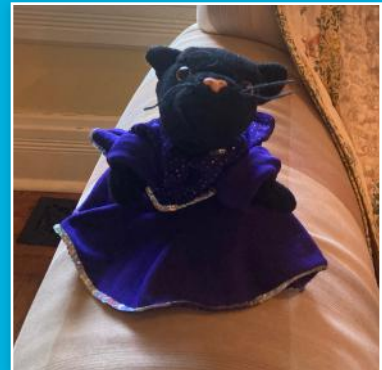

W: "I'll have to see. It could be working in the new hotel that opened in my old fort."

M: "You could also be good at working with doctors. Doctors help people from the battle."

W: "I don't exactly want to do that job. I would want to do something simple."

M: "Thank you. May we meet again!"

## Voting

The voting has chosen where to put Wu-Wu-Wu Zap. There was a huge argument, but Hannah's house won in the end. Mostly everyone thought that Wu-Wu-Wu Zap had been through a rough time, and he needed to stay somewhere nice.
