Parade Marching Other Way!

The parade is marching towards the Kitchen. They are trying to revolt against the Kitchen because the Kitchen has Bad Guys.

The parade is marching the other way, to rid the Kitchen of Bad Guys. But not Wu-Wu-Wu Zap; he is cute. Hannah wants him to be safe and sound. Anyway, the parade is attacking the Kitchen, and we do not know what weapons they have. Wu-Wu-Wu Zap is terrified.

CONSTRUCTION

On the Coffee Table, one of the roads is closed due to construction.

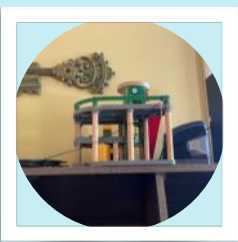

ALIEN SAUCER!

An alien saucer has landed in Bingo.

WU-WU-WU ZAP

Wu-Wu-Wu Zap is good, but still learning.

Binkevis Hotel

Binkevis Hotel is a hotel that is run by Velvet and Chris.

Tower

The Tower falls down every party.

Two Other Hannahlish Buzzes

Two other Buzzes were found in the shipwreck.

Snuggle Party!

The Snuggle Party is now. Woo hoo!

The Snuggle Party is going to start presently. Hannah first invented the Snuggle Party. You don't just snuggle: you play, too! Wu-Wu-Wu Zap was invited, and is expected to attend. Pixy will be there, and when Wu-Wu-Wu Zap sees Pixy, he will be delighted.

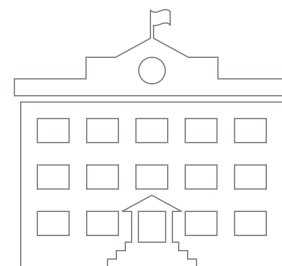

They haven't prepared yet, but they will. Maybe later, Hannah says. There will be cushions everywhere, and pillows and blankets. It will be very comfy.

Hannah's not sure what they will do, either, but she'll figure it out. Tomorrow's another weekend day. It starts in the afternoon, on weekends. Hannah likes weekends, because then she doesn't have to be interrupted by lessons. There will also be an orchestra and a play. The play will be about a Unicorn (played by Wu-Wu-Wu Zap) who is good because of a big Unicorn, who is neutral (played by Pixy), and how bad people can turn out to be good.

Spaceship Crashes

The same spaceship on the Coffee Table had crashed on the Dining Room near the parade. It turns out that the Buzzes came there. They have the same ship as Sox. We do not know where they came from; there are rumors about Buzzes flying out the windows of the Dollhouse.

Dollhouse

BUZZ STANDS WITH GENERAL

Buzz, who has driven a spaceship there, is talking with the General on the front lines. We do not know what they are talking about, not even me, but *they* know what they're talking about. Even Wu-Wu-Wu Zap does not know, despite having been over there.

We *think* that they're talking about whether Buzz will join the parade in their attack on the Kitchen. But we do not know, still. That is just a hypothesis. Another theory is Buzz going back to the Dollhouse, and staying there (not joining an attack).
