Grandpa Hennessy's House

Grandpa Hennessy's house is a place in Canada, where the Koenigs go on vacation. I am currently at it right now, writing this newspaper! So... The Koenigs and three animals of each choice can come on this trip. Ethan chose Pounce, Blue Eyes, and Emily, and Hannah chose Baby, Monkey, and Velvet. The animals are all happy at Grandpa Hennessy's house. I'm lucky I have been brought, because I love Grandpa Hennessy.

The weather will be
sunny up to
Wednesday. ☀️

Interview with Pounce

Monkey: "Do you think you'll be higher than a commander?"

Pounce: "Maybe I will! Although I still need to do some big deeds."

M: "Where did you grow up? Do you have any superpowers?"

P: "I grew up on the North Pole, and one day Santa found me and shipped me to Ethan. I do not have any superpowers."

M: "That's okay. You're pretty good and being cute and fighting."

P: "Thank you."

M: "Well... Do you think there is anything special about you?"

P: "Well Ethan thinks I am super cute. And I got brought on the trip, and I'm a commander. So that may be what's special about me!"

M: "How did you learn your skills? Like, before Ethan got you?"

P: "I couldn't talk then. I just prowled around and mewed. But when Ethan got us, he taught us to talk. Starlet still can't talk, though."

M: "Cute kitty, if you can't talk."

P: "mewmewmewmewmewmewmewmewmewmew"

P: "Wu-Wu-Wu Zap is evil and loses!"
