NEW WUNICORN POST

Wunicorn has hired Bobba Fett to run the Wunicorn Post and to write it.

Some people are going to Disneyland. They are: Baby, Monkey, Velvet, and Emily, and the rest of the toys are very excited for Disneyland's great opening to the Koenigs. (Picture on your Left). We will succeed to this trip , and then we are all set to do this Disneyland trip. The only people who are doing the trip are very excited and well . We want to sneak in some more toys

🧸,But the parents will find out and Hannah and Ethan Koenig will get in trouble for sneaking some toys.

AZA

There is a new city in the Dollhouse (Hannah's Room) and we are currently building it. If you want to see, come to Dollhouse (3 Colonial Court) and ask to see Aza in Hannah's Room and they'll show it to you. We will talk to you there for more info. Plus, anybody can come in it, and it's going to be a great city, Emily says. I hope we can do it, and make the city of Aza.

Interview with Blue Eyes

Monkey: "How do you feel about the cat in the dollhouse?"

Blue Eyes: "I'm pretty okay with him, but I do hope that he won't stay too long."

M: "That's what I think too. Emily's planning to live one block away from the Hannah Inn. You should probably use the train."

BE: "Yeah, I want to visit!"

M: "I'm sure she'd be happy. Plus, are you coming on the trip to Disneyland?"

BE: "Yes! I am."

M: "Oh, that would be so romantic! I heard that Emily's coming too."

BE: "Yeah, I know!"

M: "I'll be there too!"

BE: "Oh, great!"

M: "Thank you for participating in this interview."

BE: "You're welcome!"

Tickets to Hannah's Backpack

The flight to Disneyland is departing on Tuesday. Buy tickets on coffee table Island. Remember, it's on Tuesday! But if you are a toy, you sadly cannot go... You have to be someone drawn, or the people who are going on the trip. Sadly, more than four toys cannot go. But if you take four toys and a few pieces of paper, that is okay. Remember, it's a flight to Disneyland.

Note from Empress Emily:

"I live in the dollhouse. I hope you had a good reading."
