This is a newspaper, so please enjoy.

Working Out

The house is going under lots of pressure. Some people are neutral, good, or evil, and it doesn't matter.

Ethanland and the Dominion of Wu-Wu-Wu Zap are having a huge war. Hannahland is tempted to join Wu-Wu-Wu Zap, but they have stopped themselves. They are not part of the war, and maybe fight for both sides. In this picture, you see Hannah and Ethan (the two leaders).

1

WU-WU-WU ZAP

Wu-Wu-Wu Zap is causing lots of trouble for both of us. Not as much for Hannahland.

2

FUZZ

Fuzz has been increased by his cuteness, and he has more cuteness super powers.

3

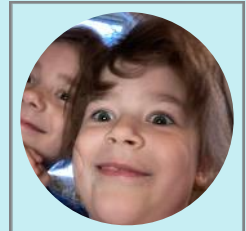

CANADA

Ethan and Hannah went to Canada. It was a big blast. We met Morgana.

Starjumpers

The movie is actually coming in summer.

Creepso

Hannah and Ethan are very creepso sometimes.

Researching

Astrolyte has formed researching for the war.

Famous Actor Fuzz

Fuzz has been called in to three movies: *Star Jumpers*, *Fuzz Lightyear*, and *Comedy Merlin*.

Fuzz is a really good actor, even though we do not know how to speak with him and he always walks away. But we manage to get good pictures when he is there. We hope he will continue his good work with acting.

That reminds me: the *Comedy Merlin* trailer is coming out! One more thing... Make sure Wu-Wu Zap does not get Fuzz.

This magnolia tree is the symbol of hope.

THE DINING ROOM TABLE

Fuzz has discovered a secret spot under the dining room table! Mommy, Daddy, Ethan, and Hannah don't like him going there, because he sheds his fur on the carpet. Fuzz can hear the din of battle from under the dining room table, and he does not get hurt one bit.

Usually Fuzz goes lots of other place, but this is his special place. Warning from Hannah: I did not take this photo. Daddy was trying to get Fuzz out, so he put Ethan's bridge on him. Fuzz didn't move and looked even cuter.

Cuteness

This is also talking about Fuzz, but something else. Wu-Wu-Wu Zap is trying to destroy Fuzz, and we cannot let that happen. Hannah and Ethan just got Easter eggs. Happy Easter! And now Hannah's birthday is coming up. She is going to turn seven, and maybe put some things in her locket necklace. Fuzz will be the honorable party guest, and he will be very cute to entertain us. This picture I took of Fuzz last night, on April Fools' Day. I took three photos of him, and this is the cutest one. That is my tip for photographers. Are you listening, Chicken? Are you listening?
