## Battle in dining room

With the Dining Room, things can get a lot out of hand with the war going on!

I'm starting to think that the war will never end! The good guys are attacking the Japanese and bad guys. The good forces already have a ton of burden, attacking and all. The soldiers are very brave. Some guys are trying to plant a American flag.... awwwww! Good try, though.

## Interview with Wu-Wu-Wu-Zap

This unicorn is trouble!

M: "How do you feel about the war?"

W: "I want to defeat the good guys and crush them!"

M: "Do you think Crepitus has lost control of Skreela?"

W: "No idea, but hearing this, I'll write to him."

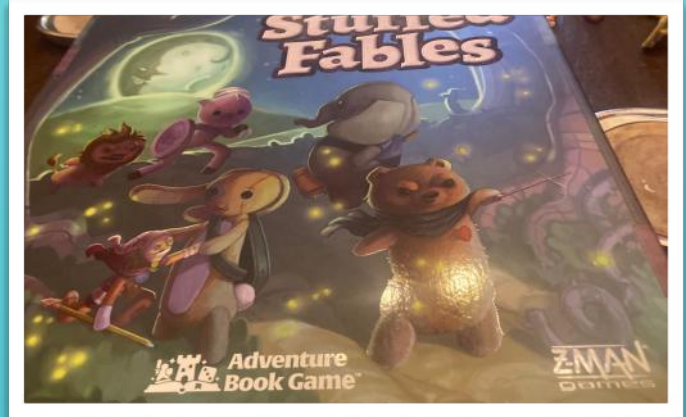

Theadora: "I don't think Crepitus knows what mischief Skreela gets up to."

M: "I'll take your word for it. Thank you for attending this interview!"

This interview is concluded with Theadora & Wu-Wu-Wu Zap fighting.

## Stuffed Fables

Theadora, Lumpy, Flops, and Knuckle almost defeated Crepitus! The little girl woke up then, so they went away.

Studies say Crepitus has lost control of his daughter!

## EASTER SURPRISES!

**This is a small interview with Lavender the Bunny.**

Lavender, do you like Easter?

Yes! It's my favorite holiday. I've never seen Halloween, though.

Are you upset you can't experience other holidays?

Sometimes. But I'm sure Easter would still be my favorite.

I'm sure. Happy Easter!
