

BINGO WILL BE BUSIER WITH NEWS, SO GO TO BINGO!

BUZZ LIGHTYEAR'S SHIP FLYING THROUGH KITCHEN BATTLING ENEMY SHIPS

PIRATE IS GOING TO BE A BUCCANEER AGAIN

LIL' PETEY IS WANTED FOR POTTY HUMOR

THE FELINE TIMES

Assault on Kitchen

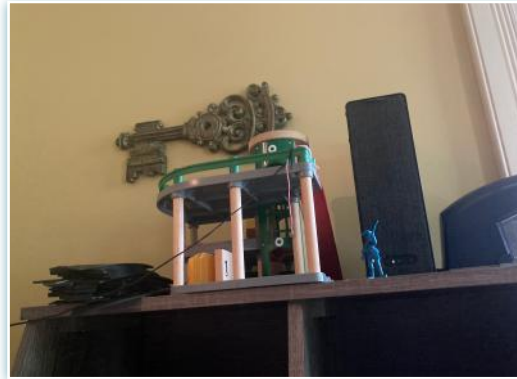

The assault on the Kitchen has been going on for many days, but it has not stopped. The enemy commander is inside the building that they are on top of, and enemy troops are trying to get rid of the good guys attacking. The General is in the fight, and you might be able to spot him in the picture above: he is the white figure just behind the two tanks. Spider from the Dollhouse is driving a jeep behind the tank closest to us, with tons of luggage.

The weather will be rainy up until Saturday. ☁️

Binkevis Hotel

Binkevis Hotel (mentioned in the last newspaper) is still under construction. Today we will have another interview with Velvet and Chris, its two owners.

Tigger Jack: "How long do you think it will take to build the hotel?"

Velvet: "About up to August, we think."

Chris: "We're contracting a lot of work right now, but it will happen in stages."

TJ: "Have you decided if you will make the hotel in multiple places, or just one place?"

V: "We're still deciding."

C: "We'll have to see how our flagship hotel does, and whether or not it makes a big profit. That will determine if we expand."

TJ: "How many people do you think will come to your hotel?"

V: "A lot of people! People will want to know what it's like."

C: "Bingo is a great town, and has a thriving tourist industry."

TJ: "Will you have any security checks?"

V: "We could, if Wu-Wu-Wu Zap could set up a security camera that could not be broken."

C: "Yeah, and we'll rely on the Bingo police as well."

TJ: "Thank you for giving the Feline Times your time!"

V: "I'm a feline! Thank you."

C: "Thanks, Tigger Jack!"

Interview with Wu-Wu-Wu Zap

Wu-Wu-Wu Zap will be interviewed today. The interview will cover why he was bad and what his life has consisted of. It will be posted in full in the next edition, but here's a snippet:

TJ: "Why were you so bad?"

W: "I thought that the Bad Guy council would give me the right path."

There is a super-strong line that will protect the good guys from Bad Guy invasion in the Dining Room. We will feature it in the next edition.
