Tigger Jack: "How do you feel about leading the defense systems on the ETH Dollhouse?"

Velvet: "It feels weird, because I've never done it."

TJ: "What do you think you'll do after the short time between your next conference and the arrival of the ETH Dollhouse?"

V: "I don't know... Maybe I'll do something fun."

TJ: "Which room do you think you'll stay in?"

V: "Probably Hannah's room."

TJ: "Do you get seasick easily?"

V: "Not really."

TJ: "Thank you for hosting this conference."

V: "You're welcome!"
