## Vacation to New Orleans, Louisiana

The Koenig family, with General Velvet and Mewnes, stay at a Marriott on Canal Street.

The vacation to New Orleans is because Mommy is attending a conference with AWHONN. They are in a Marriott with a swimming pool on level five. Their room was on level 22. They flew to New Orleans on a Southwest plane from Midway. Fun Fact: Midway is named after an island that was the scene of a battle in World War II.

## New Orleans Activities

Here is a list of New Orleans activities:

- [Vue Orleans](#)
- [The National WWII Museum](#)
- [Cemetery Tour](#)
- [Ghost Hunt Tour](#)
- [Dave & Buster's](#) (as mentioned on the right)
- [Gordon Biersch](#)
- [Café du Monde](#)
- [Sidney's Snowballs](#)

## New Toys from Dave & Buster's

Peso the Penguin, Alien (whose eyes pop out), and French Fries (whose eyes pop out too) will be brought back to the house. Dave & Buster's is like a casino for children. It has no windows, so that you can't tell the time, and you keep spending your chips on games. Some games, you get tickets, which help you buy things. And others, it's just for pleasure. Ethan got a lot of tickets: 1,100! That is because he spent most of his time playing the Monopoly game. That is a lot like a real casino game. There's a casino just a few blocks away from the Marriott! But Dave & Buster's is not a real casino. They have food.

## COMMANDER POUNCE'S RECON MISSION SUCCESSFUL

Commander Pounce's reconnaissance mission is successful! They got rid of the remaining Bad Guys, and went back to the Dollhouse so that they could get the big invasion force. Pounce is given an award, and Hannah thinks that Pounce is very cute.

The Bad Guys are still in the Kitchen, but we will push them out. Our invasion of the Hallway will help protect Bingo by creating a blockade so that Bad Guy forces cannot start to fire on Bingo.
