## Wu-Wu-Wu Zap Attacks Battle Fort

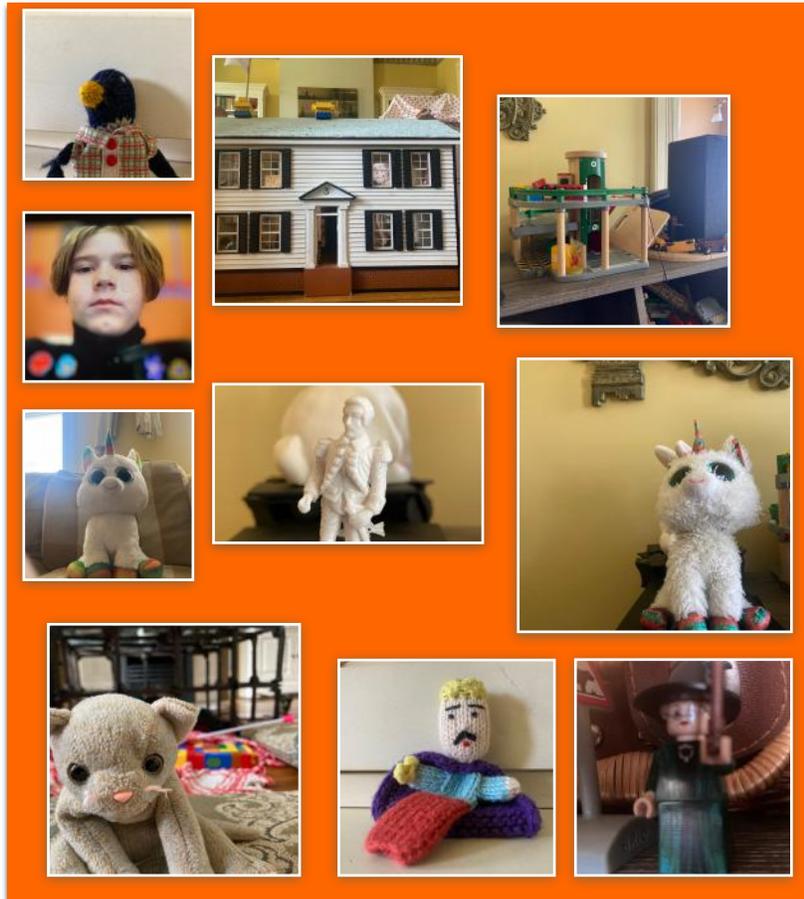

Wu-Wu-Wu Zap, famous criminal villain, has attacked the Battle Fortress that used to be called Heaven. The gods have moved somewhere else, and Zeus is very angry. Heaven will be now transformed into an Ethanlish Battle Fortress. Mewnes and some other animals are battling him so that he gets off of Heaven. Spider (on the right above) has a big blast cannon that can help us get rid of Wu-Wu-Wu Zap.

The weather will be cloudy up until Sunday. ☁
