Vacation to Grandpa Hennessy's House

There has been a vacation to Grandpa Hennessy's house, and General Velvet, Emperor Blue Eyes, Empress Emily, Commander Pounce, Baby, and Monkey have come on the trip to Grandpa Hennessy's house. Today, our heroes will leave and go to London. We will meet Grandpa and Grandma Koenig after we land in the morning and take "the Tube" to the AirBnB. General Vavid is very excited about it. We will leave in the evening to London.

General Velvet is having a fun time at Grandpa Hennessy's house.

Emperor Blue Eyes and Empress Emily's house is on Sesame Street.

There is a big fake Christmas tree that stays up all the time, and it is very strange that it stays up all the time. And it's fake.

Big Block Party on Sesame Street

There has been a big block party on Sesame Street.

A big block party has happened on Sesame Street, between Bunny's Bakery and Velvet's hotel/restaurant. Everybody in the city is coming to it and having fun. The street is closed off due to big partying and balloons everywhere.

The forecast says that it will rain a lot, and there will be a ton of tornados and lightning. For more information, you can go to felinetimes.org or ETHWeather.com.

Bunny's Bakery is mentioned on the right. It has lots of good pastries and cakes and cupcakes. Velvet's restaurant/hotel is very nice to sleep in and eat in. You can change your babies, and the children can have fun on a cool rocking horse. The people that came to Grandpa Camp were: Katherine, Michael Jr., Uncle Mike, Grandpa Hennessy, and the Koenig family (not Gma & Gpa).

Bunny's Bakery

Bunny's Bakery is where lots of delicious foods are made. They helped with the block party that is mentioned on the left.

They have big cakes and bread, and all kinds of baked goods like cupcakes. Velvet has a hotel and restaurant that is on the other side of the street.

The alley between the Emperor's house and Velvet's restaurant/hotel is infested with giant laser-eyed rats. There are small laser-eyed rats too.

OLD BARN OUT-SIDE OF TOWN WITH ANIMALS

There is a barn outside of the town, with animals ruling it! They captured the farmer and the assistants of the farmer and are making them help fix up the barn. They do things like planting, crops, fixing up the barn, and bringing goods into town (like eggs and crops).

You can ask them for more information because we can't tell you all of it. You can write your name down on sign-up lists for working on the farm.

The farm is really busted up now, but they plan to repair it. Be careful, because there are lots of big storms!
