

BINGO RECENTLY UNDER ATTACK BY ZURG COMMAND SHIP

SANTA CLAUS AND OTHER TROOPS COMBAT A SPIDER AND ZURG ROBOT

THE TROOP TRANSPORT/PRISON MOVES THROUGH THE BATTLEFIELD

ARACHNIDA AND ANOTHER SPIDER UNDER HEAVY ATTACK

THE FELINE TIMES

Big Battle in Dining Room

There has been a very large battle in the Dining Room, and supernatural creatures and Zurg robots are doing a very good job of combatting Ethanlish forces. The Santa fort has been destroyed, and the supernatural creatures seem to resist our artillery fire. The ETH Dollhouse will soon arrive, and the Emperor will not get off because it is too dangerous. Meanwhile, a bat carrying secret plans for the Bad Guys is being combatted in air.

The weather will be cloudy up until Monday. ☁

Wu-Wu-Wu Zap in Fight

Wu-Wu-Wu Zap, famous criminal villain, has decided to join this fight, but Baron Von Yarn is not coming. Wu-Wu-Wu Zap is currently battling with Pounce and Starlet — not Mewnes, because Mewnes has lots of battle injuries.

Wu-Wu-Wu Zap may reestablish his blown-up fortress and make the fight worse for us. Wu-Wu-Wu Zap likes to destroy, and we do not know why. He has surprisingly surrendered two times, but has declared war again, and has been captured several times.

ETH Dollhouse Leaving Bingo

The ETH Dollhouse is on its way to the Dining Room. Next time it will skip Bingo and go straight to Kitten Cove after it's in the Dining Room.

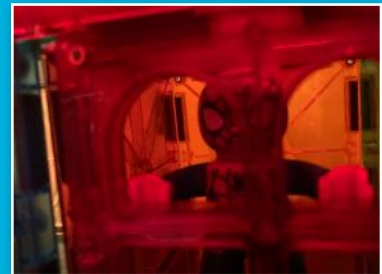

Here is the ticket chart:

	First Class	Second Class	Steorage
Hallway	\$10	\$5	\$1
Bingo	\$69	\$46	\$28
Dining Room	\$120	\$92	\$51
River in Dining Room	Special Ethanlish ticket	-----	-----

Zurg Joins the Fight

Zurg robots are coming in from the northeast of the Dining Room and preparing to combat our troops. Buzz Lightyear's ship is zooming towards it, and is going to prepare to launch missiles at them. Wu-Wu-Wu Zap is thankful to Zurg because they have joined the fight.

Evil Spider Guy is in the troop transport/jail. He might try to break out, but he is not currently. There is security in the troop transport/jail, but not too much, because a lot of the troops are deployed. Evil Spider Guy might break out, though, and that would be dangerous because he would cause too much trouble. That would interfere with our plan to rid the house of Bad Guys.
