Wu-Wu-Wu Zap Attacks Hangar

Wu-Wu-Wu Zap, famous criminal villain, has launched an attack on an Ethanlish transport, which flew into a hangar bay underneath Bingo. Wu-Wu-Wu Zap exploded through the doors. The transport is now being destroyed. Troops have been sent in, and Captain Georgie, our famous Air Force member from London, is doing his best to fight Wu-Wu-Wu Zap. The animals have joined the battle too, and Dragon is very fierce with fire-breathing.

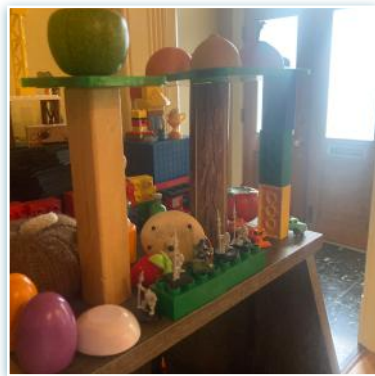

The weather will be sunny up until Sunday. ☀️

New Garden in Bingo

There is a garden near Binkevis Hotel where the boot camp used to be, and it produces a lot of food. It is also very beautiful to walk through, and we have removed the soil from rocks and artillery shells and have put in new fresh mulch. The plants are thriving here, and we think it may have something to do with the Plantmania.

We had to cover the guest room with a metal sheet so the plants' roots wouldn't get through.

Wu-Wu-Wu Zap Strikes Hangar

Elves and dwarves are in Bingo, using the row of bushes as their defense. Elves, dwarves, gnomes, and other magical creatures thrive in this garden. We are afraid that the garden may go out of control, and plants may grow everywhere.
