Hunt for Evil Ramesses in the D.R.

Since yesterday, Ethanlish forces have been searching for Evil Ramesses, Wu-Wu-Wu Zap (famous criminal villain), their new acquaintance Crepitus (the nightmare king), and Evil Emperor Zurg. Zurg was chased off after being tied up in Scat's pink swim shirt and trapped under his spaceship. He soon escaped and blasted away.

Meanwhile, Wu-Wu-Wu Zap abandoned Evil Ramesses with the Immortal Killing Weapon and Crepitus in order to chase an airplane around the house, ending up crashing it into a house in the Dining Room.

Continued on the bottom of page 2.

Invasion of Bathroom

Recently, Wu-Wu-Wu Zap's Uni-bots have invaded the workroom bathroom, causing Ethanlish troops to flee into the neighboring bathroom. Wu-Wu-Wu Zap has invaded the capital city of the bathroom, called Counteropolis.

Meanwhile, Ethanlish troops hold the edge of the bathtub facing Counteropolis, while Uni-bots hold the opposite side of the bathtub.

Hunt for Evil Ramesses

Continued from above.

Evil Ramesses and Crepitus were attacked by Ethanlish troops, but were guarded by Crepitus' minions, who were all defeated. The Ethanlish sustained a lot of casualties too, even though Evil Ramesses and Crepitus managed to escape.

There is currently a hunt being conducted, and an army of Ethanlish troops has been mobilized with a couple of planes. If you see Evil Ramesses (picture on the left), please contact the Ethanlish military at 365-884-3221.

Invasion!

Crepitus the Nightmare King has recently joined Wu-Wu-Wu Zap. We don't know much about him, but we think he has a large empire. The minions that attacked us caused havoc, but were easily defeated by our professionals: Albus Dumbledore, etc.
